## SPRING SALE 2018

Bronze of Sun Yat Sen £29,000

Chinese 17th century libation cup £33,000

Three Korean temple paintings £22,000

Asian art dominated the top of the sale price results with three very different lots attracting great interest. An early rhinoceros horn libation cup, brought in for sale by a local private vendor topped the auction at £33,000. A rare bronze by the European trained Chinese sculptor Shek Kwan Chen saw bidding rise from £5,000 to £29,000 and three Korean paintings that had sold in November for £13,000 but not been paid for were re-offered to achieve £22,000, a happy result to a problem that can still occur when dealing with foreign buyers. Aside from this the sale saw strong interest throughout with a particularly buoyant jewellery sale, partly driven by jewels from the Estate of the late Sheila Farebrother (Elton John's mother). Entries are now being accepted for the June 26th sale which will include an exceptional cellar of wine from a Somerset property.
